

Today, Campbell's Soup Can by Andy Warhol was presented to your child's class. To find out some of the things your child learned, ask them:

Who is Andy Warhol? (an artist from Pittsburgh, born in 1928, lived in NYC)
Why Campbell's Soup? (ate it everyday for lunch, painted something he loved)
How is it art? (a metaphor of America: rich or poor, Campbell's Soup is the same for everyone. This painting, like other art, reflects our society.)
What is Pop Art? (Artwork about popular culture, news events, advertising, ...)
Where can you see more of his work? (Warhol Museum, Pittsburgh North Side)
